

Be a Volunteer Hacker for Social Innovation

Understanding
beneficiaries
Learning-by-Doing
We Serve those
who serve

December 1st, 2018 (Sat) | 9am-6pm

PwC (19/F, Tower A, Manulife Financial Centre, 223-231 Wai Yip Street, Kwun Tong)

Hackathon:

a highly interactive event where people collaborate intensively to create usable solution for a problem or idea in a specified time frame.

Who should join?

- Business professionals (2+ years of work experience) with a passion to serve the local community
- Those who would love to collaborate with NGO leaders at a high energy hackathon

Why should you join?

- Learn design thinking, share and network with NGO leaders and like-minded professionals
- Make good use of your professional insights to innovate NGO programs
- Spend a fun-filled day for social innovation

Register now!
Deadline: November 5, 2018
